 Mata Kuliah : Database Design and Management (Teori)

- The majority of parking spaces are under cover and each can be allocated for use by a member of staff for a monthly rate.
- Parking spaces that are not under cover are free to use and each can be allocated for use by a member of staff.
- Up to twenty covered parking spaces are available for use by visitors to the company. However, only members of staff are able to book out a space for the day of the visit. There is no charge for this type of booking, but the member of staff must provide the visitor's vehicle license number.
