Nama   : Afina Putri Dayanti
NIM   : 825200049
Jurusan   : Sistem Informasi
Mata Kuliah   : Database Design and Management (Teori)

- *Consider whether it is appropriate to introduce the enhanced concepts of specialization/ generalization, aggregation, and/or composition into the ER model for the case study described in Exercise 11.12. If appropriate, redraw the ER diagram as an EER diagram with the additional enhanced concepts.*
